## How to find us

We'll assume you can find your way to Gonder. These directions start in the Piazza; from there it's less than 5 minutes to walk to the office...

1. The Piazza is in the centre of Gonder. From there take the road between the Telecoms Building (*Tele*) and Quara Hotel. Follow this road for about 300m.

To find the Piazza ask: *'Piazza yet no?'*

2. Take the second turning on the right; Dashen Bank is opposite and the Mega Gonder Book Shop on the corner. You will see some steps in 50m in front of you; head straight up there.

**You're almost there**

3. At the top of the steps continue straight ahead on the road to the right of the garden cafe. We are in the compound 100m along on the right. Come in the gate; we are the first office on the left.

In case you need it, our address is:

**Yenege Tesfa, Kebele 03, Gonder**

...next to 'Save the Children, Norway' and opposite the Mayor's Office.

**See you soon**
